Profile

HI, I'M FRONT-END DEVELOPER

An enthusiastic and self-motivated front-end developer. I have two years of experience in HTML5, CSS3(SASS), Javascript(jQuery, Angular 2/4/5, Vue.js), PHP and Github,. Executed to full-stack web development projects, with an emphasis on front end with cross-browser compatibility. I am constantly eager to learn new technologies and languages (Node.js and Angular). I am currently seeking a front-end development position.
